JAZYK

Edme na rolet

chodímedohôr.

Katka sa rozhodla, že bude piecť čerešňový koláč.

Našla kuchársku knihu.

Najprv si prečítala recept a na listok napísala, čo potrebuje.

Listok si dala do vrecka.

Potrebné suroviny išla kúpiť do obchodu.

Prizpila všetko čo potrebovala.

Keď sa vrátila, vytiahla váhu a navážila si múku a maslo.

Umrýla si múku.

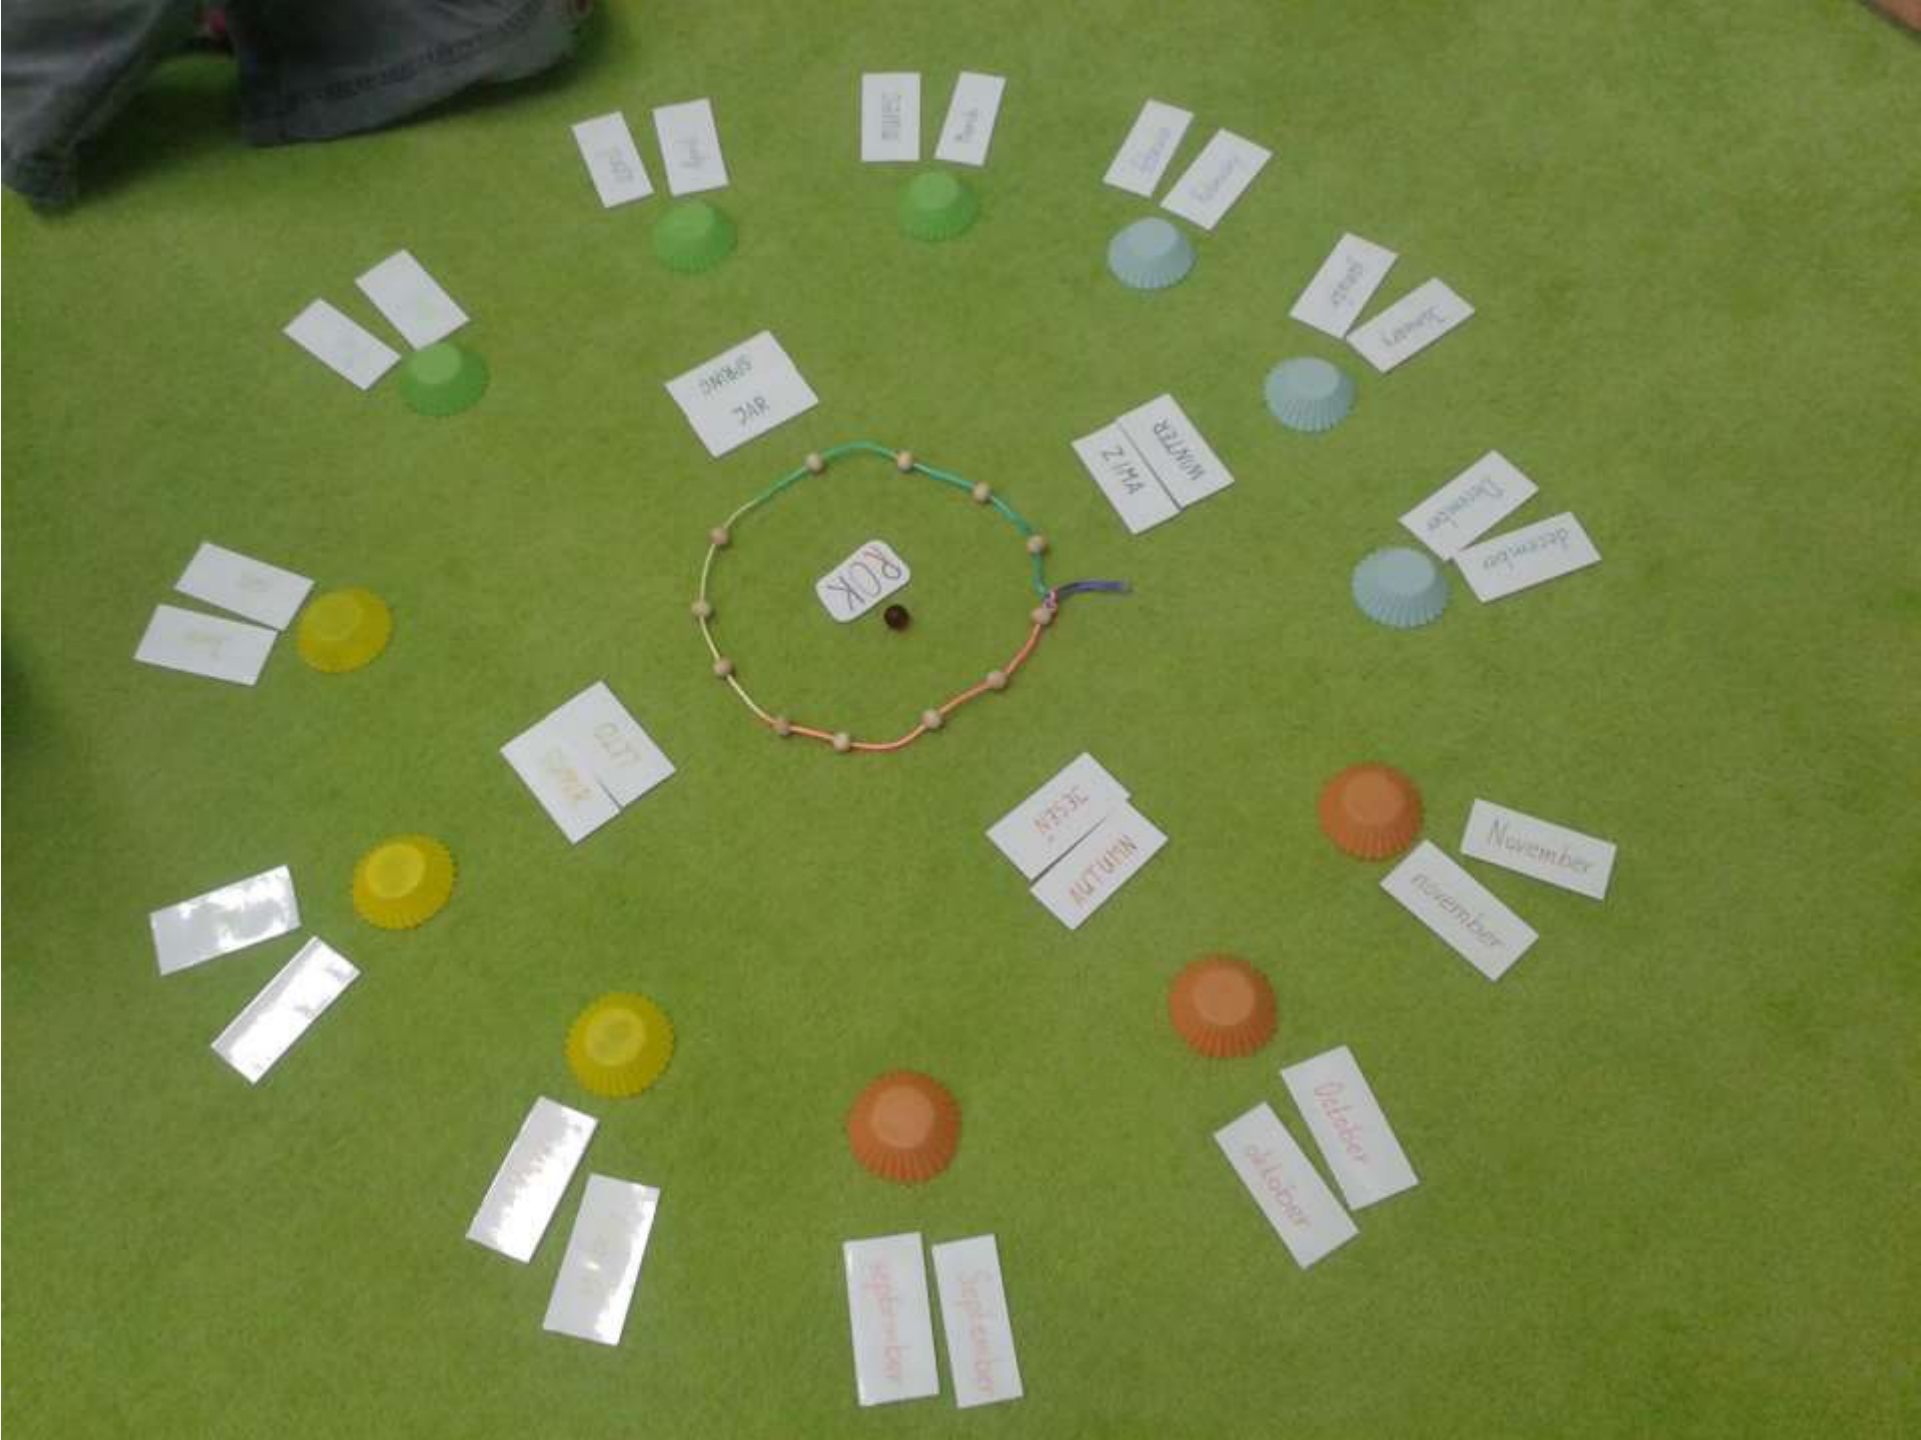

KOZMICKÁ VÝCHOVA

VEDY

Latitude and longitude

Colour the equator green.
Number the lines of latitude south of the equator.
Colour the land between 30°N and 60°N yellow.
Colour the land between 60°N and 90°N green.

60° N
40° N
20° N
Parallels

Meridian
90°
